OTTAWA, 2nd December, 1924.

H. O. Cotè, Esq., I.S.O.,
Controller.

Application of John H. Forge to purchase that portion of the S.½ of Section 18, Township 57, Range 5, West of the 5th Meridian, lying west of the river. Containing 31.6 acres. Shown on the sketch attached outlined in red.

I beg to submit for your consideration the application above referred to. The land is available according to the departmental records and the applicant in September, 1911, obtained letters patent covering his homestead the Fractional N.W.¼ of the same section, shown on the sketch outlined in yellow.

The Inspector in his report hereunder, states:-

"In connection with the application of John H. Forge "to be allowed to purchase the above land lying in bend of "river and adjoining his land on east, and containing 31.6 "acres. As Mr. Meloch does not want this land, would "recommend Mr. Forge be allowed to purchase it at $3.00 "per acre. It is rough and covered mostly with green "and poplar timber. The cultivated land in district could "be purchased any time at from $6.00 to $8.00 per acre "and well improved."

Incidentally I may say that the portion of the S.E.¼ of this section lying north of the river was offered to the homesteader of the Fractional N.W.¼ in August, 1918, at the rate of $3.00 an acre, but no payment in connection therewith has yet been made.

If a sale is authorized it will require to be subject to the applicant filing evidence of ownership of his homestead.

Sale to Mr. Forge at $3.00 an acre recommended

In reply to your letters regarding the above fraction. Since applying for & making the first payment on this land I have been unable to make any improvments upon it as it has become very much over grown with black poplar bush. I have decided to abandon it, of course understanding fully that I forfeit the down payment I made.

The land later became subject to forfeiture proceedings for non-payment of arrears of taxes and title was secured by the R.M. of Eureka No. 14.

The Municipality has been unable to dispose of the land by sale and it is presently included in a grazing lease issued in the name of a Mr. J. Donette. MEMORANDUM:--Mr. H.S. HUME,

Dominion Lands Branch.

In reply to your memorandum herewith I may say that it was not my intention that legal subdivision 2 of Sec. 10-12-22-4 should be withdrawn from the reservation for reservoir purposes but that entry should be granted to Mr. Armstrong subject to the usual clause in the reservation.

As Mr. Pattison's entry covers S.E.4 of the said Sec. 10 even if good otherwise, it would have been necessary for the Provincial Authority to procure the land required ~~by them~~ from the homesteader, but since Mr. Pattison has not been complying with the regulations respecting homestead entries his entry was cancelled and the land required for reservoir purposes is reserved by the Department.

Sir,

0241972

Replying to your communication of the 11th ultimo, re the South East of Section 25, Township 23, Range 1, West 4th Meridian, held cleared by John B. Code, I may say that your letter to me did not say what was required in this report, but I visited the land and found no improvements thereon and also was informed by the neighbors that Mr. Code had sold out and left the country. The land is very rough and rolling and would not, in my opinion, be fit for agricultural purposes.

I beg to acknowledge the receipt of a copy of your letter of the 21st ultimo addressed to Mrs. M.J. Sir,

Re N.W.¼ of 8-49-5 West of 5th M.

Replying to your letter of the 2nd instant, addressed to the Agent of Dominion Lands at Edmonton, in which you make application to lease the above described land for grazing purposes, after applying to the Hudson's Bay Company for the same, and being informed by it, you state, that this quarter section was not the property of said Company, I am directed to say that this land is the property of the Hudson's Bay Company, and is, therefore, not under the control of this Department.

In a list of lands sent on the 5th of May, 1909, notifying the said Company of the passing of its title to lands in above mentioned township, a note appears to the effect that the N. W. ¼ of section 8 had a squatter on it. Subsequent investigation disclosed the fact that he had abandoned his claim and had entered for a homestead elsewhere, with the result that the Hudson's Bay Company is now in full possession of its estate in the land, and, on making application therefor to the Registrar of the North Alberta Land Registration, Edmonton, may, in the usual course, obt in certificate of title.

Sir,- Re Hudson's Bay Company,
one twentieth of surveyed townships.

On the 5th May, 1909, there was forwarded to your office, duplicate schedule of whole townships in your District, the surveys of which had been approved and confirmed between 1st July, 1908 and 1st January 1909. In this schedule appears township 49, range 5, west of the 5th Meridian, with a note of reservation as to the North West quarter of section 8, by reason of a squatters claim. I beg to inform you that on subsequent investigation, it was ascertained that the claim in question had been abandoned, the squatter having entered for a homestead, elsewhere, with the result that the Hudson's Bay Company is now, under the provisions of Section 50, of the Dominion Lands Act, in full possession of its estate in the land and on the payment of the proper fees, should receive Certificate of Title.

Honorable Sir :—

Your esteemed favor of 3rd ultimo was duly received granting the privilege of declaring my ten acre plot in section 17 Township 76. Range 14 West of the 5th Meridian. I wish to express thanks for said favor; but regret to say that there was an error in describing the township; and I regret that the matter in question has since been filed upon by a Homesteader.

However there is another adjoining quarter section, at present occupied by a "Squatter" - Mr. Charles Travers, who has lived on said land previous to the survey and continuously since. Mr. Travers finds another ¼ sec. to be more suitable for himself and has filed on it as "Homesteader" The consents to waive to us his "Squatter's Rights" in the same. Therefore I would hereby make application for ten acres, described as the N.E. 10 ac. of the N.E. ¼ sec 24. Township 7± Range 1± West of 5th Meridian for Church purposes. Kindly cancel the ten acre plot in Township ± as per Grant. and re-issue according to above application.

If earliest convenience as I wish to proceed with the erection of a church at once

Application of Venerable Archdeacon Scott for 10 acres of N.E.24-74-17,W.5, for Church purposes.

You instructed that a report should be obtained from a Homestead Inspector upon this quarter section, which was affected by a Statutory Declaration made by Mr. Charles E. Travers before the Surveyor. (Your Memorandum of the 14th January last, marked.)

The Agent of Dominion Lands at Edmonton now submits a report from the Sub-Agent of Dominion Lands at Lesser Slave Lake, in which the latter points out that although Mr. Travers stated in his declaration before the Surveyor that he resided on the quarter section as a homestead, and the S.E.¼ as a pre-emption, after filing that the pre-emption law did not apply to the District, he homesteaded the S.E.¼ of the section, but has the following improvements on the N.E.¼:- a log house, valued at $100.00, log Stable, valued at $50.00, Storehouse, valued at $50.00, log Stable, valued at $75.00, Forty acres fenced, valued at $150.00, and 18 acres in crop. Sir

I have been living and farming the west half of sec. 38 Tp. 81 R. 25 West 5th Meridian Country, for the last five years. the land has just been surveyed this summer and I now wish to secure my land. my house & outbuildings are on the N.W. ¼ sec. 38 and my cultivated land & pasture are on the fractional S.W. ¼ of sec. 31 all under fence. I wish to secure these two ~~two~~ 4 sections (one fractional) as my homestead.

I also wish to preempt the N.E. ¼ sec. 32 and the fractional W ½ N.E. ¼ of sec. 31. These lands are for the for me for hay & pasturage. the above mentioned fractional ¼ sections each contain about 80 acres and are surrounded on all sides by Indian Reserve no. 151A. ~~1625036~~ 1625038 Portions of this ¼, myself and my sons have been continuously for the last five years and have made considerable improvements,

Mr. Griffin Sr. should not homestead the South West ¼ of Section 33; his son John the North East of 28, and George the South West of 28, but how they are to acquire the additional lands which they wish to obtain is another question. These lands are included in the fractional North West ¼ of Section 33, the fractional North East ¼ of 32, and the South East ¼ of 32.

These lands are not within the pre-emption district, and I do not know of any way of meeting the request, unless it be decided to authorize a sale of these lands to the Messrs. Griffin by Order-in Council.

MEMORANDUM:-

A communication has been received here from Mr. Thomas Griffin, who with his two sons John and George have located on land in the far North between Dunvagen and Peace River Landing.

The father, Mr. Thomas Griffin, appears to have taken possession of the fractional West half, section 33, Township 81, Range 25, West of 5th Meridian, and his two sons, John and George, are occupying respectively the North West ¼ and South West ¼ of Section 28 in this Township.

Mr. Griffin also asks to be allowed to acquire by pre-emption entry, or otherwise, the fractional East ½ of Section 32 in this Township. These several locations are set forth on the diagram attached to file 1625040, the portion of land applied for under pre-emption being hatched red.

These settlers would seem to have gone into occupation prior to survey, and the lands affected are reported to be vacant, and open for settlement.

The Messrs. Griffin have furnished declarations, which indicate that they have been in almost continuous occupation of the land, and are engaged in mixed farming, having both stock and cultivaton.

Apparently, there is no reason why Mr. Griffin Sr. -

of Thomas Griffin.

Frac.N.W.¼ of Section 33, Township 81, Range 25, West of the Fifth Meridian, containing 97.4 acres and shown on the attached sketch hatched in red.

I beg to submit for consideration and decision the application above referred to. The land applied for is available, according to the records of the Department and the applicant on the 20th December, 1909, made homestead entry for the S.W.¼ of the same section, shown on the sketch outlined in red.

The Agent of Dominion Lands at Grouard, in submitting this application, states that at the time the Indian reserve adjoining the parcel in question was surveyed, "the surveyor showed Mr.Griffin where the boundaries of his homestead would come but this location was found to be about one-quarter of a mile out when the land was subdivided by Mr.H.S.Holcroft, D.L.S."

The Agent recommends that, owing to Mr.Griffin having cultivated twelve acres of this land which he has cropped four times, having fenced forty acres thinking that the improvements would be on his homestead, and taking into consideration the fact that he was the original settler on the high land between Peace River Crossing and Dunvegan and has demonstrated that good crops of grain can be grown in the vicinity, his application receive favourable consideration.

Certified copy of a Report of the Committee of the Privy Council, approved by His Excellency the Governor General on the 23rd. May, 1911.

Copy to C.P.R.

Dept. of the Interior
Jos. P. O.

The Minister of the Interior states under date the 19th. April, 1911, that Mr. Thomas Griffin has made application to purchase that portion of the N.W.¼ of Section 33, Township 81, Range 25, West of the Fifth Meridian, lying south of Indian Reserve No. 151 A and containing 93.5 acres.

The Minister further states that Mr. Griffin has made valuable improvements on this land, the surveyor who surveyed the said Indian Reserve having reported to Mr. Griffin that the boundaries of his homestead entry for the adjoining S.W.¼ of the same section, would be included in the parcel applied for.

The Minister in view of the above and taking into consideration the fact that the applicant was the original settler on the high land between Peace River Crossing and Dunvegan and has demonstrated that good crops of grain may be grown in the vicinity, recommends that he be authorized, under Section 32 of the Dominion Lands Act, to sell to Mr. Griffin that portion of the N.W.¼ of Section 33, Township 81, Range 25, West of the Fifth Meridian, lying south of Indian Reserve No. 151 A and containing 93.5 acres, at the current rate of $3.00 an acre, the sale to be subject to his earning title to his homestead, the S.W.¼ of the same section.

The Committee submit the same for approval.

Memorandum:

Application of Urbain Gladu for a free grant of Lot numbered 14, Fairy Shot Lake Settlement, containing 58.0 acres and shown on the plan of the Settlement hereunder hatched in red.

Evidence has been submitted herein, the effluent to have been in occupation of the land in question at the date of the extinguishment of the Indian title, and I beg to recommend that, under the provisions of Sub-Section (c) of Section 76 of the Dominion Lands Act, a free grant be authorized to Mr. Gladu of the said Lot.

Mr. Gladu also applied for adjoining Lot numbered 2 of the said Settlement, containing 156 acres, to be included in his grant, the excess area of 34.0 acres to be paid for, he claiming to have had improvements on both Lots at the time of Treaty. I do not think, however, that his request in this regard should be granted.

Messrs. Pavillon Brothers in December, 1907, applied to purchase a portion of the said Lot 2, claiming to have a store located thereon. Their application was not granted (Commissioner's decision endorsed on my memorandum of the 14th March, 1908, File 1509700 herewith).

Lots Nos.39 & 40, Split River
Settlement.

In 1903 Messrs.H.F.Calkin and F.S.C.English acquired at Split River 114 acres together to have crops. When the survey was made it cut their land into two river lots, Nos.39 and 40. They have made valuable improvements and own 50 head of horses, 30 head of cattle besides valuable farming implements. Their house and all buildings are also on Lot No.39.

They state that the whole of Lot No.40, together with 15 acres in area, and one-quarter of Lot No.39, which is only fit for pasture without further residence thereon.

Mr.Calkin in a subsequent letter asks that Lot No.40 contains only 150 acres, he is not to permitted to acquire Lot No.55 adjoining, containing 114 acres partly for the balance over 80 acres.

Mr.English in a separate communication states that he acquired upon a lot at Lemon Cove Lake prior to the date of the Indian Treaty but was forced to vacate it being flooded out. He now asks that his claim to a free grant be transferred to the said Lot No.39, Split River Settlement, on which he and Mr.Calkin have resided. [illegible]

According to the statutory declaration taken before the [illegible] the improvements made by Mr. J.W.Greenway, Esq., English at Lemon Cove Lake were of practically no value.

Name of sole - Mrs. Charlotte E. Howell.
Area - 160 acres.

In view of the fact that Mr. Howell has purchased this land from the Hudson's Bay Company and has since filed a homestead entry for it, I do not think it necessary to forward the attached file to him for his information at present.

This land was sold to Mrs. Charlotte E. Howell at public auction on the 16th October, 1907, at $3.00 per acre subject to homestead duties. The sale price was, therefore, $480.00, on account of which Mrs. Howell apparently has only paid the initial instalment of $47.00.

In the case of a timber sale the Department reserves the right of cancellation and as it was ascertained that the conditions governing original residence on the land sold were complied with, a final notice of 3 days was given on the 14th May, 1923, within which to satisfy that sale was in order and that the usual conditions would be complied in full of all arrears on account of the purchase price and interest. On the 14th May, 1923, in view of a telegram received that she was nursing her aunt in Seattle, Washington, U.S.A., the final notice was extended to the 14th June, 1923.

Mr. Honour Tolmie Tweedie of Calgary wrote Mr. Stewart, the then Acting Commissioner of Dominion Lands, on the 7th May, 1923, on behalf of Mrs. Howell and on the 23rd May, Mrs. Howell was granted an extension of time until the 1st August of the understanding that Judge Tweedie would submit further representations should it be necessary to consider a further extension of time. These were duly received from Mr. Martin on the 31st July, 1923, stating that the solicitors had found a surplus of funds due Mrs. Howell and that he was arranging with them for a payment of from $300.00 to $400.00 to be applied on account of the purchase price provided the Department is prepared to grant her an extension of time until the spring of 1924 within which to make up her duties and complete payment. Mr. Thomas G. Taylor, Barrister of Prince Rupert, Saskatchewan, who formerly held this land under entry requested to be permitted to file an application for cancellation but the Department took the position that in the case of a sale the Department reserves the right to cancel. The then Minister of the Interior on the occasion of his visit to the West in late June saw Mr. Taylor in interview and the matter was submitted for consideration on his return to Ottawa. The Deputy Minister reviewed the case on his memorandum of the 10th November, 1923, and gave instructions to have Fraser's entry cancelled on the grounds that he had failed to live up to the requirements.

Re: Soldier Settlement,
Kime Sale - Mrs. Charlotte E.
Howell. Area - 100 acres.

I agree with your recommendation endorsed on Mr. Cowan's memorandum of the 14th instant, hereunder, that Departmental file No. 202172 relating to the above property should be turned over to the Provincial Authorities. It should, of course, be sent to Mr. Norquay in the usual way, in order that a proper receipt may be obtained.

It is noted that in September, 1920, the Soldier Settlement Board advised that the charge created against the above land might be withdrawn. Before sending the file to Hamilton it might be advisable to ascertain from the Soldier Settlement Board whether the parcel is still clear insofar as their records are concerned.

Sir,-

Lot 5 - Flying Shot Settlement.
Time Sale - Mrs.C.E.Howell.
Area - 152 acres.
Your reference 4-3057.

This land was sold to Mrs.Charlotte E. Howell at public auction on the 5th October, 1916, at $11.25 per acre, subject to homestead duties.

On the 4th December, 1926, the Soldier Settlement Board furnished the usual form, #27, creating a charge against title to the land for advances made to one R.B.Howell, presumably the husband of Mrs. Charlotte E. Howell. It was pointed out to the Board that should they have occasion to place Mrs.Howell in adjustment under the salvage regulations, payment of the balance due on account of the purchase price in full would be a condition precedent to the issue of patent to the Board, and unless they were prepared to assume this responsibility, the maintenance of the charge would appear to be without justification.

The Board then advised this Department on the 21st September, 1928, that the charge created against this land might be withdrawn.

The Director of Lands, Department of Lands and Mines, Edmonton, on the 1st June, 1931, asked to be advised if this parcel of land may be classed under the heading of "charged lands". He was informed on the 18th June, 1931, that the Soldier Settlement Board had withdrawn their charge on the 21st September, 1928. He now requests that the file relating to this land be forwarded to him.

It is deemed advisable before forwarding the file to the Province to ascertain from you whether this parcel is still clear in so far as your records are concerned. May I have this information at your earliest convenience?

Your obedient servant,

H. .Hume.
Chairman.

Re: Account of Peter Calleho.
Lot 5, Flying Shot Lake
Settlement, Alberta.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1914 Relief amounting to $81.65 was advanced to Peter Calleho on the security of the above mentioned land. In 1922 a payment of $82.00 was received and applied to the principal and interest. The present standing of this account is :-

Principal	Interest	Total
$ 50.91	$ 62.19	$ 113.10

An advance of Relief was obtained by Peter Calleho in 1914 on the security of the above mentioned land and there is no record of the indebtedness having been registered.

Title is now in the name of a Margaret E. James free of any encumbrances. The whereabouts of the original lienee is unknown and there is no possibility of collecting the balance of the account at this time.

As the original lien was never registered and there is no further security, it is recommended that the balance of the indebtedness be cancelled.

The Agent states that Callion secured homestead entry for the S.W. of 24 in October, 1908, and it seems that he has lived thereon continuously from 1909".

Improvements:-
2 log houses valued by Mr. Callion at $550.00.
3 log stables ... $200.00.
30 acres breaking.

The entrant claims that when applying for this homestead he explained to the sub-agent at Grouard about already having had an entry, and was informed that as he had been in the country previous to the Treaty he was entitled to another homestead. The Agent, however, finds on enquiry that Mr. Callion was not in possession of his present land at the time of the Treaty.

It would appear that entry obtained by this man is illegal, but in view of his long occupation and improvements it may be desired to give him an opportunity of acquiring the land at a reasonable price.

Respectfully submitted.

MEMORANDUM:

Mr. Dixon.

S.W. 24--71--6. W. 6th. M.
Homestead Louis Calliou.
8th October, 1908.

What is to be done about this entry? as it would appear that Mr. Calliou was not eligible to take a second homestead?

In 1910 Mr. Calliou wrote here with reference to his claim to a part of section 13 (should have been 23). Mr. Calliou stated that he was living on land at Bear Creek, Grande Pariric before the survey, and had improvements upon it, but as the survey did not suit the Mission people, he claimed that the Surveyor made a re-survey by which Mr. Calliou lost the piece of land he was living on.

Surveyor Saint Cyr reported showing that at the time of survey Mr. Calliou was living on section 24. This was confirmed by the fact that in 1907 Mr. Calliou made a declaration before the Surveyor claiming the S.W. quarter of 24 as a homestead. In this declaration Mr. Calliou admitted that he had previously held a homestead in 53--26 W. of the 4th, which he sold.

On looking up this previous homestead it was found that he had made entry for it in 1889, and afterwards secured patent. He was therefore told that he was not entitled to the privilege of another entry, and the ~~letter~~ was explained to him (Head Office letter 12th July, 1910).

The Agent at Grande Pariric now points out that probably Mr. Calliou received this letter, but as he is a half-breed and does not understand English he apparently took no notice of it.

Certified copy of a Report of the Committee of the Privy Council, approved by His Royal Highness the Governor General on the 9th January 1912

PRIVY COUNCIL CANADA

The Minister of the Interior states, under date the 10th December, 1911, that Mr. Louis Gallion made homestead entry for the south east quarter of section 24, Township 71, Range 6, West of the Sixth Meridian, on the 8th October, 1907, and according to a declaration made by him, he has resided upon this land continuously since 1907, having buildings valued by him at $750, and thirty acres of breaking.

It is now shown that this settler had previously exhausted his right to a free homestead, but in view of the residence and improvements above set forth, and as it is represented that this settler is a half breed and does not understand the English language, the Minister recommends that authority be given, under the provisions of Section 42 of the Dominion Lands Act, for the sale of this quarter section to the extent at $3.00 per acre, subject to the performance of the ordinary homestead duties, payment to be made on quarter in cash and the remainder in three equal annual instalments with interest at five per cent per annum.

The Committee submit the same for approval.
